

# COMPOSTING

## FOOD WASTE

## GARDEN WASTE

## OTHER ORGANIC MATERIAL

### COMPOST BIN

**To wash bin :**  
Rinse with water and a little vinegar after every pick up.

**To discourage animals :**  
Close bin with an elastic strap.  
Rub the sides with Vicks VapoRub.  
Spray Lysol in the lid.

**To eliminate insects :**  
Pour vinegar or sprinkle with salt in the bin.

### MAINTENANCE TIPS :

**To eliminate odors and prevent food from sticking to the bottom :**

Line the bottom with cardboard or newspapers.

Wrap humid food with newspaper or cover with dead leaves.

Freeze meat and any fragrant matter until next pick up.

Sprinkle baking soda. Leave bin in the shade.

Put out bin at every pick up.

**For more information or questions, please contact your municipality.**
